RE: January 2024 Report

- A. Still looking for a Happy Hour volunteer plus Garage Sale Volunteer(s). Juanita Kauffman has provided a very comprehensive instruction packet for whoever steps forward. Thanks to Eileen Owen for her volunteer “drumbeat” in The Chat!
- B. Researched some of the potential costs of “electrifying” our gas powered grounds crew tools.
- C. Completed, with President, annual reviews with our independent contractor positions.

Respectfully submitted,
Bruce Grieshaber
