Residents Reducing Wildfire Risks

CERTIFIED OCTOBER 2023

It is with great pleasure that I, on behalf of Pima County residents, present this certificate of recognition to your community for maintaining site status in Firewise USA, the nation's premier wildfire risk-reduction program.

We recognize the hard work and dedication that goes into receiving this important designation. That work demonstrates your commitment to ensuring our communities and neighborhoods are ready in the event of a fire emergency.

We deeply appreciate the time, effort, and care your residents have committed to ensure public safety from the risk of wildfire in Pima County.

Presented this 6th day of May 2025.

A blue ink signature of Stephen W. Christy, written in a cursive style, is positioned above a horizontal line.
