Greetings all Springs residents from the temporary editor. Thanks to many of you for attending the annual meeting on Saturday January 19th, 112 to be exact. And thanks for the get well card, as I was too contagious to attend. I am finally feeling better, and face it, I can edit the CHAT from my bed, so here goes....

There are many things going on in February, so join in and have fun.

THE ANNUAL COMMUNITY WIDE GARAGE SALE

March 9, 2019.

The sales are on your individual property. The advertisement will have the hours as from 7:00 a.m. to 11:00 a.m., but you may open when you want and close when you want.

The maps will show the home locations and any Special Items you want to list. Maps will be e-mailed to the Springs HOA homeowners the night before the sale.

Sign up by placing your name, address and phone number on the sign-up sheets at the pot luck and annual meeting. Also list the special items you want on the map.

You may send information to Juanita's email Samtootsie@aol.com with the required information or call her phone at 520-625-1509. Include your name, address and phone number and if you want any special items for sale listed on the map.

The more homes that participate, the more likely buyers looking for bargains. The HOA pays for the map printing and ad in the GV News, which also goes online. DThe ad must be in to the GV News by March 1, to be in the March 3 & 6 papers. If you sign up after this you will not be on the maps but may still have a sale.

Thank you.

**RECYCLING should be EMPTY, CLEAN, and DRY.
And when in doubt, throw it in the trash. Really.**

And a very important question from Bette Briggs, who has been admiring the tiled benches by Judy Bierman throughout The Springs. She wants to know who tucks small whimsical painted stones under the benches along the walking trail. Hmmmmmm? Elves?

Speaking of elves, thanks to Sylvia Collins and her crew for putting up and taking down the holiday decorations. They were lovely along with many creatively decorated homes.

And speaking of holiday decorations, Mother Nature brightened our world with two separate snowfalls in late December. It made is all pretty, mostly, well, kind of happy.

It was announced recently that the Green Valley Firefighters Foundation will be holding their annual fundraiser outdoors on the GVR Fiesta Deck on Saturday, March 30th. This year the theme is "The Mardis Gras Event." Tickets are \$50 each and include dinner and dancing. Information on the Foundation can be found at www.gvff.org.

Another reason for this notification is the fact that the sounds of the music and dancing can be appreciated by The Springs residents during the event. While different from the quiet we usually enjoy, it is for a good cause and only for one night. I hope you can enjoy the fun there or at a distance from your home.

My parting thought is about the hummingbird photo in this issue by resident Pat Lindemann. It was photographed in Madeira Canyon recently. It is a blue throated hummingbird male and just looking at it makes me happy. Have a good February!
